

It's not long now!

I attach the 2018 programme for The Southam Gathering. This year it's a bit different as the workshop and dance descriptions are included in the programme.

Also attached are The Southam Gathering Notes for 2018. It includes lots of useful information so have a good look.

Don't forget to print them off if you want paper copies.

We look forward to seeing you sometime after 5pm on Friday 24th August.

Corinna

On behalf of The Southam Gathering Committee
