

The 2020 Southam Gathering

Dear xxxxxx,

Ordinarily you would be arriving at the Grange to collect your badges and we would be looking forward to meeting all the eager dancers, but unfortunately these are not normal times.

We have re-booked the halls for next year, and are finalising bands and callers for the 2021 Gathering. We expect to send out invitations to next year's Gathering in early January as usual, but who knows whether our best-laid plans will be derailed again. As 2020 ticket holders you will already have paid for next year, but the invitations will be your chance to confirm you plan to come – of course, you could always cancel your booking and ask for a refund instead.

We are very sorry not to be seeing, and dancing, with you this year, but are merely postponing the pleasure until next August. In the meantime we hope you are well and coping in these strange times. We all look forward to getting back dancing as soon as we can.

See you next year
